

# SOCRATES CAFÉ

THIRD TUESDAY OF EACH MONTH  
ALUMNI HOUSE 2:15PM

## Socrates Café

Socrates Café are gatherings around the world where people from different backgrounds get together and exchange philosophical perspectives based on their experiences, using the version of the Socratic Method developed by founder Christopher Phillips. Discussion topics are selected by the moderator and members. Topics can range from social, philosophical, political, or popular areas of our world for discussion in an environment conducive to all personal experiences and spectrums of thought. Discussion is taken from our own lives and is not based on the debate or rebuttal (interrogative) style of Socrates. Phillips sees the method as promoting the pursuit of truth and personal discovery.

# SOCRATES CAFÉ DISCUSSION TOPICS

To paraphrase something I read recently: There are many important life questions for which there are no single or “provable” answers. It can be useful for people to search within and among themselves for answers. This is the mission of the Socrates Discussion group.

Herein is a list of NEW topics I have researched. I hope it entices you to attend the Socrates Café discussion group. New topics by participants are ALWAYS WELCOME.

Selected topics for February 19, 2019

1. If you could change one thing about the world, what would it be?
2. What is true happiness and is it ever achievable?
3. What is a true friend?
4. Are there (human) acts that are inherently right/ wrong?
5. Is it always better to have MORE choices?
6. Is it the main purpose of our laws to promote morality?
7. Are there universal human rights?
8. Are you the same person you were 10 years ago?
9. When is it not better to tell the truth?
10. What harsh truths do we/you prefer to ignore?

The spring dates for Socrates are: February 19, March 19 and April 16. The meeting time will be the third Tuesday of each month at 2:15 p.m. I will contact everyone by email in January.
